Newsletter to May 28th 2021

Dear Parents and Carers,

First Forgiveness Year 4

What a beautiful service we had in Church this week and all of the Year 4 children that made their First Forgiveness were a credit to you. I was lucky to be there each night and see the special encounter with Jesus in a real way. Encountering Jesus love and forgiveness showing how loved we are. Go out and live our school mission now,

“Love one another as I have loved you .”

Summer Uniform / PE KIT

Please can I ask that you help the children and the other families by sticking as much as possible to the uniform policy.

It helps our children be in the right frame of mind for school. At St Alban's we know that if our children look smart, they are often acting smart! However, we are aware that many families are struggling to access shops and that supply chains have been affected. Therefore for this term we are not taking a strict stance on uniform. Summer uniform is now available and children can still wear the very smart PE uniform. Please contact the office if you need any help on the summer uniform.

As with regards PE kit – please can you help us with not asking the children to wear football kits – a plain T shirt is the school policy at the moment. We want to be as inclusive as possible.

We will move back to the full uniform in September.

Attendance

Again we have reduced the number of children that are missing too much school but for some families we will be offering more support. I will be contacting some families that are struggling at the moment to offer support and help.

Holiday Requests

As we move towards further easing of Covid-19 safety restrictions we are aware that many families are considering holidays. As a school we have a responsibility to ensure that we maximise school time for our children's wellbeing and urge families not to take holidays in term time. Holiday requests will not be authorised.

Enjoy some quality family time together over the whit break.
