Dear Parents and Carers,

Wirral receives enhanced support to tackle increase in COVID-19

Wirral, as part of the Liverpool City Region is among the areas to receive additional support to tackle a rapid rise in cases of the Delta variant of COVID-19.

The enhanced support is now in place across the entire City Region and much of the Northwest and will see increased efforts to encourage residents to get the COVID-19 vaccine to help protect them from the virus.

Face masks

Numbers are rising rapidly on the Wirral – please help us to keep safe – adults can have a lateral flow test twice a week which does mean that cases where someone is asymptomatic and highly infectious are identified early. All staff take a test twice a week.

Please use face coverings – cases are on the rise and some parents have some situations where they are supporting vulnerable relatives – please think of others and wear a face covering – it does reduce the risk when we cannot social distance as effectively at pick up and drop off.

Please try not to bring a dog to school - the main reason is that they are too cute!! This often means that social distancing is forgotten. I Hope you can help with this.

Before and after school provision

Very close to being able to share some more with you about the Wraparound provision for September. You will be able to book in the next couple of week for September.

FRIDAY, JULY 2 • SCHOOL EVENT

Wear Your Rainbow day

All day

Radio City Cash for Kids have a really exciting campaign coming up that we have decided to join. The campaign is called Wear Your Rainbow and we are aiming to raise vital funds for our local communities to support families living in poverty.

All the children have to do is Wear a rainbow.
The children just need to come into school dressed as a colour in the rainbow! Each pupil would be asked to make a voluntary donation in exchange for dressing up. This could be a ribbon, shoelace, socks or even a colourful t-shirt.

St Alban's would be supporting local families who need us right now. Please let us know if you are able to help as we'd love to celebrate your support across our social media platforms and share your rainbows.

Children can wear non uniform – dress like a Rainbow and enjoy the football tonight!!!
