

## Connected Curriculum Vocabulary Overview

	Y1	Y2	Y3	Y4	Y5	Y6
Word Processing & Functional Skills	Text Image Keyboard Caps lock Backspace Delete	Text Image Background Layout Font Caption Edit	Text Font Bold Italic Word Processor	Text Copy/Paste Font Table	Slide Hyperlink Format Transition	Internet Router Packet Collaboration Communication
Creating media	Play Pause Record audio animation	Photograph Filter Edit Landscape Portrait Digital	Format Publishing Template Placeholder Edit Graphic Design	Animation Edit Onion Skin Frame Stop Motion	Video Edit Audio Storyboard Scene	Website Copyright Hyperlink Embed Layout
Data and Information	Label Sort Group Pictogram	Data Tally Bar Chart	Branching Database Closed Question Group	Data Data Logger Data Value Data Attribute Sensor Input	Database Sort Filter Field Boolean search	Data Data item Data set Spreadsheet Cell Cell reference Row Column

						Format Formula Operation Range Duplicate Sigma Chart
<b>Modelling, Music and Media</b>	Found Sounds Recording Foley Artist Rhythm	Tool Paintbrush Erase Fill Undo	Audio Visual Film Storyboard Sound Track	Vector Copy Handles Layers Group/Ungroup	Podcast Audio Recording Layer Import Edit Looping Trim Export	3D Resize Duplicate Model Grouping
<b>Computers and networks</b>	Technology Digital technology Keyboard Mouse Trackpad Screen Computer Input	Computer iPad/tablet Email/message Barcode QR code Login	Network Server Webpage Website Input Output	Image Edit Effect/Filter Crop Layers	Website Keyword Search Engine Boolean search	Plausibility Copyright Validate Evaluate Fair Use
<b>Computer Science</b>	Drag and drop Double-Click Drag Drop	Click Double-Click Drag Drop	Algorithm Bug Debugging Sequencing	Algorithm Bug Debugging Sequencing	Behaviour Sprite Event Loop	Algorithm Sprite Event Behaviour

	Bug Debugging Program Loop Repeat Event	Algorithm Program Programming Bug Debugging Loop Repeat Event	Program Loop Repeat Event	Loop Repeat Event Nested loop Condition Conditional	Repeat Function Call a Function Declare a Function Condition Conditionals	Debug Prompt Variable Simulation
<b>Physical Computing</b>	Directional language Command Predict Sequence Debug	Directional language Command Predict Debug Algorithm	Sequencing Loop Repeat Input Output	Sequencing Conditionals Condition Loop Input Output	Conditionals Condition Function While Loop Loop Input Output	Event Condition Decomposition Sensing Variable Input Output
<b>Online Safety</b>	Pause Device Frustrated Online Website or app Balance Screen time Pop-up Internet Secret	Pause Online Caution Just Right Pause Uncomfortable Pop-up Internet Balance Screen time Permission Personal	Internet Community Online Private Respect Credit Digital footprint Private information Permanent Trail Attention Distraction	Community Digital Citizen Responsibility Assumption Identity Selfie Empathy Interpret Symbol Username Phrase Password	Hardwired Personal information Private information Responsibility Digital footprint Inference Media Media balance Media choices Digital media Griefing	Advertising Clickbait Headline Curiosity gap News Article Commercial Bully Bystander Cyberbullying Empathy Target

		information	Concentration	Norm Pledge Advertising Alter Persuade Photo retouching	Social Interaction Digital citizen Cyberbullying Upstander Attribute Copyright Intellectual property Plagiarism Licence	Upstander Balance Media Media balance Benefit Private information Risk Avatar Bias Gender stereotypes
