

St Alban's Catholic Primary School

Newsletter to Parents

April 25th 2019

Dear Parents,

I hope you all enjoyed the glorious weather over the Easter weekend. Now that we seem to have some better weather many of you are sending the children in to school in summer uniform. Please see the note below with regard to this and help us to maintain smart uniform in the summer months ahead – thank you.

With best wishes,

Mrs C.L. Frost
Headteacher

Summer Uniform

Please remember that summer dresses should be **green** checked or striped and short trousers should be **grey short school trousers** (not casual or sports trousers). Children may wear short sleeved white shirts with their tie or a white polo shirt if they wish. The usual green cardigans and jumpers should continue to be worn. Please also continue to ensure that the children are wearing sensible black school shoes to school. We have a lot of trainers of all varieties being worn at the moment so please ensure it is school shoes for school.

The standards of uniform are important in school as they are a reflection of the high standards we expect in all areas and also reflect our unity as a school. Please encourage your children to respect this, follow the rules and wear their uniform with pride.

PE KIT

Please ensure your child has their PE kit in school – it is not an optional extra but is a compulsory part of the curriculum! It is also important for their health and well-being!
PE IS FOR EVERYONE

Jewellery in School

Please note that no jewellery should be worn to school. This is clearly stated in the school prospectus and has been for many years. Children with earrings should remove them before coming to school. If you are considering getting your child's ears pierced, please consider waiting until they are leaving us! Alternatively, it should be done right at the start of the summer so that the earrings can be removed when the children return to school. Thank you.

ON-LINE SAFETY

I have attached some information about an App that seems to be very popular at the moment. As with many of these Apps, they are not dangerous in themselves – however, without very careful monitoring, children can leave themselves vulnerable. **The lower age limit for this App is 13 years.** If you choose to allow your child to download it, I would urge you to monitor use and ensure privacy settings are set at the highest level of protection. Many of our children are using Apps they enjoy but may not have the maturity to manage safely!

H.S.A NEWS

Thank you for the fabulous support for our Easter events – for the donated prizes and for coming along! Huge thanks for our H.S.A for the work done organising the Bingo and the children’s Easter raffles – and to the Easter Bunny who came to draw the winning tickets! The Easter raffles raised £248.

H.S.A Meeting

Our next meeting will be Wednesday May 8th at 2pm in the small hall.

Please come along and share your ideas – all welcome.

Romeo and Juliet will be performed for the KS2 children on Friday afternoon in the school hall. We hope this performance will ignite their interest in drama and in Shakespeare!

0 - 19 Health and Wellbeing Service

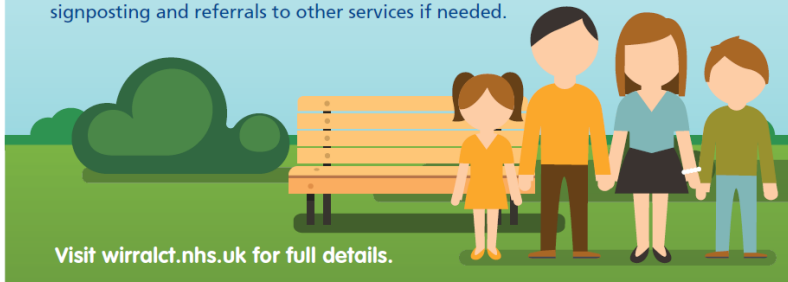

Wirral Community
NHS Foundation Trust

Health and Wellbeing Hub

For school aged children and young people.

Wirral’s 0-19 service is offering weekly drop-in clinics for school aged children, young people and their families.

A safe and confidential environment to discuss health related topics including: healthy eating, weight management, sleep behaviour, bed wetting, behavioural concerns, emotional wellbeing, confidence/self-esteem and lifestyle advice, as well as signposting and referrals to other services if needed.

Visit wirralct.nhs.uk for full details.
