

Newsletter to Parents

February 11th 2020

Dear Parents,

It has been a very busy six weeks in school and we have a few important notices to share with you before the half term holiday.

REMINDER: The children break up this Thursday (13th February) at the normal finishing time of 3.20pm / 3.30pm. Friday is an INSET Day for staff. We all return to school on Monday February 24th.

Overleaf you will find information about "Brunch Club". The Parish of St. Joseph and St. Alban is providing support for children and families during school holidays. Please come along if it is helpful to you – you will receive a warm welcome.

With best wishes for a happy half term,

Mrs A.T. Evans
Acting Headteacher

SACRAMENTAL PREPARATION

Thank you to all the Year 3 children, their parents and their teachers who braved the terrible weather to attend the enrolment Mass on Sunday. Many parishioners (and Mr. MacDonald who will be taking over as headteacher after the spring break) commented on how lovely the Mass was and, as usual, what a credit the children are to you and our school.

Reminder: The first Reconciliation workshop takes place **tonight at 6.30pm** in the school hall. Parents and children are expected to attend. See you there.

Thank you for visiting our

With your help, we raised £840.00 in commission to spend on books.

Thank you also for supporting our Wellbeing 4 Wallasey day last Friday. It was enjoyed by all and we raised £340.00 towards the Wallasey Schools event to be held in the Summer Term.

AMAZING!

Safer Internet Day
2020 | **Tuesday**
11 February

The aim of Safer Internet Day is to inspire a national conversation about using technology **responsibly, respectfully, critically and creatively**. Hundreds of organisations get involved to help promote the **safe, responsible and positive** use of digital technology for children and young people.

It is coordinated in the UK by the **UK Safer Internet Centre**. Take a look at their website – there are Top Tips for children of different age ranges and also for parents and carers.

Together for a better internet
